

Washington State Scenic and Recreational Highway Designation Procedure.

1. Letter of Application: A letter of application outlining how the proposed route supports the goals outlined in the State Scenic and Recreational Highways Plan may be submitted to WSDOT's Director of Highways and Local Programs at any time, consistent with RCW 47.39.069.
2. Application Review: WSDOT will either forward the letter of application to the Washington State Transportation Commission for consideration, or inform the applicant of any inconsistency with State Scenic and Recreational Highways Plan or RCW 47.39.069.
3. Legislative Action: Legislative action to amend RCW 47.39.020 is required to designate a Scenic and Recreational Highway.
